"The Cottage Dreams Cottage Classic is a great opportunity to play the very private Coppinwood golf club, one of Canada's best new courses and support an amazing program. I lend my own cottage every year and encourage you to join us for a great day of golf."

-Patrick Brigham, Co-Founder Sunquest Vacations & Cottage Classic Chairman

Cottage Dreams Cancer Recovery is a registered charity that offers recent cancer survivors and their families a week at a donated, private cottage to reconnect, recover and have some fun together after treatment. Cottage owners donate their cottage from a Sunday to Friday when it is sitting empty and in turn, Cottage Dreams matches the property with an applicant family, offers additional insurance, a post-visit cleaner review and tax receipt. Since 2003, thousands of people have benefitted from time at the lake. Please visit www.cottagedreams.org for details on our program.

A limited number of foursomes are available at \$2,500.00. Included with each foursome:

An amazing day of golf at the ultra exclusive Coppinwood Golf Club

Fewer than 120 players

SCOREGOLF says “COPPINWOOD is a golfer’s paradise located on 357 acres of rolling terrain with stunning elevation changes, in the midst of quiet farm country 30 minutes northeast of Toronto. Designed by Tom Fazio, the par 72 layout features five sets of tees to provide members of all skill levels with an exceptional golfing experience. Superbly manicured bent grass fairways are framed by blue grass rough and fescue grasses. Subtly contoured greens are inviting and reward well hit shots. Bunkers are minimalist, dramatic, and remarkably consistent in their playability. The par threes are as unique as they are picturesque. This is Fazio at his finest – a dramatic, walkable, modern classic, playable for novice and serious golfers alike, sure to surprise and challenge on every round.”
